We've not made it easy for you.

You start with a locked box. Figure out the combination before you solve the mystery that lies within?

You and your team will need to harness all your detective skills

Clues are built into the extraordinarily detailed authentic objects and realistic documents that are supplied in the box. You will also need to discover secret websites that are hiding more important evidence.

The Mystery Agency boxes are much more than a puzzle; they are an event you can hold with friends and family. The clues require many problem-solving skills so everyone can contribute in their own way.

Escape room experience out of the box

Tactile, authentic objects for engaging gameplay

Fully reusable and resettable to play again

An amazing debut by The Mystery Agency,
Escapetheroomers.com

The components are excellent quality, and it's immensely satisfying to handle. High quality maps and illustrations, aged paper and physical props – it's a tactile player's dream. I loved The Balthazar Stone.

Absolutely fantastic! We had so much fun trying to solve the mystery and we were stumped a few times but the hints were really useful. Good family fun :) Highly recommended!

Mollie

An amazing experience with great storytelling and fun puzzles. Love the spooky theme throughout and was very well crafted. Well done to Henry Lewis!

Harry Ford

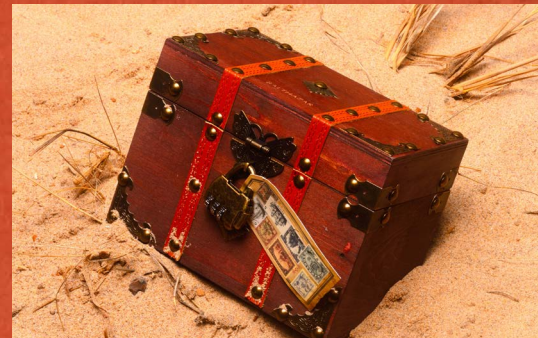

A massive hit for us and third in the series that we have played. We have been mightily impressed by this offering from The Mystery Agency and thoroughly enjoyed playing them.
